

HST-HBX0.5 Portable Brinell Hardness Tester

Introduction

HST-HBX0.5: Portable Brinell hardness tester is small in size, convenient to carry, simple to operate, and its accuracy complies with GB/T231.2, ISO6506-2 and American ASTM E10 standards.

Technical Specification

Model	HST-HBX0.5
Test range	100-400HBS
Ball indenter dia.	Φ10mm
Dimension	Φ55*370mm
Weight	3.3kg
